Welcome to our second annual People's Choice Awards for the Sunshine Coast. We here at *Coast Reporter*, in combination with the three Chambers of Commerce – Gibsons, Sechelt and Pender Harbour – and Sunshine Coast Business Recovery Centre (SCBRC), have collaborated on the Sunshine Coast's People's Choice Awards. These awards are meant to recognize businesses that have proven themselves as your choice in 124 categories.

Over eight weeks and four ballots this summer, you took the time to vote for your choices in Retail; Health, wellness & lifestyle; Services; and Food & drink. We had more than 4,000 votes cast. The results are truly a representation of the Sunshine Coast's People's Choice!

Here on the Sunshine Coast, we are blessed with some amazing natural beauty as well as many top-notch dining, shopping, tourism, health and service options. Many of the merchants here offer exceptional customer service, with products and services to match. Today we celebrate the businesses that really stand out!

In the pages that follow, we are delighted to feature your choices for 2022. Be sure to read the results to discover which businesses have received the most votes from all of you. While reviewing, take time to notice the ads from businesses that have graciously thanked all of you, for your votes. Then get out there, or visit them online, to sample the goods and services that make them outstanding. Over the past couple of years, they have all adapted their businesses to serve you better than ever with online shopping, deliveries and curbside services often available.

These businesses are local and rely on your patronage, today more than ever, so that they can in turn continue to support our communities. We are all in this together!

Congratulations to all the businesses that have been chosen as the People's Choice in this great community of ours. You truly are what makes the Sunshine Coast so special.

Take care and stay safe!

– Peter Kvarnstrom, Publisher

On behalf of the Sunshine Coast Business Recovery Centre(SCBRC) and the Gibsons, Pender Harbour and Sechelt & District Chambers of Commerce, I would like to congratulate all of the winners, finalists and nominated businesses of the 2nd Annual Sunshine Coast People's Choice Awards. I would also like to extend a huge thank-you to the Sunshine Coast community for the incredible support that was shown this year. The response from business owners and residents alike has once again exceeded our expectations—working together we have created a new way to celebrate the local business community that plays a vital role in making the Sunshine Coast such a special place.

The 2022 People's Choice Awards succeeded in putting the spotlight on the eclectic diversity of local businesses we have here on the coast, helped to celebrate and promote positive stories of community building and economic brilliance, and was overall a fun and inclusive online event, bringing our community together...and now, the people have spoken! On the following pages you will find all of this year's local voted community favourites, and what a list it is! But, I also want to acknowledge the ongoing contributions of each and every one of our amazing local businesses. Every local business, small or large, adds something unique, different, and one-of-a-kind, and only together can they create the exciting, livable coastal community we are proud to call home.

Let's continue to celebrate and support our vibrant local business community here on the beautiful Sunshine Coast, and congratulations again to all this year's favourites!

– Yarrow Drtina, Small Business Programs Manager,  
Sunshine Coast Regional Economic Development Organization(SCREDO)

It's been almost 3 years of challenge and change for all of us here on the Sunshine Coast. We've worked hard to adapt our processes to accommodate your servicing and vehicle needs, so that we may offer our best to you, the people that have supported us since 1979.

We take pride in being a part of our community, and helping our neighbours, as that is the Sunshine Coast way. We remember those that we have lost, and with our deepest gratitude, we thank you for the patience that you have shown, and for all of your efforts to keep our community the special place that we know it to be!

*Thank you for
