What we do

- Community Gardens
- Workshops & Education
- Tool Library
- Local Foodbox (CSA)
- Farm-to-Table Dinners
- Farm & Local Food Map
- Food Equity (Support)
- Sunshine Coast Food Charter
- Research & Policy

And much more!

We're a charity working on building a resilient and sustainable local food system here on the Sunshine Coast.

With you, we grow gardens, teach hands-on workshops, preserve the bounty, inspire kids to love dirty carrots, share skills and tools, and connect generations so that together, we are resilient and food secure. We want the Coast's families to be able to eat healthy, local, sustainable food now and 7 generations from now, and we'd love for you to join us.
